

**Instructions:** We hope that playing along to the songs will be pretty straight-forward even if you don't necessarily know the song already. Here are a few instructions that explain some of our conventions.

**Chords:** We have selected and edited songs in a way that minimizes the need for obscure and hard to play chords. Sometimes, you have the option to substitute easier chords. Here are some examples

- For chords with numbers, you can in a pinch play the chord without the number, e.g. A instead of A7.
- Chords with alternate base notes can be replaced by the normal version as well: C instead of C/E.
- Sustained chords (typically Dsus4, Dsus4, Asus4, Asus2) sound fun and are easy to learn, but if you don't want to bother, you'll have to figure out whether to substitute the major or minor chord in its place. The fun of the sustained chords comes from them being neither major nor minor and keeping you on your toes about it.
- Check out the last page of this songbook for ways to play most of the chords occurring in this songbook.

**Online supplement:** You can find additional information such as errata and songs that didn't make the cut into the print version on the online wiki page at [http://www.ubc-voc.com/wiki/VOC\\_Songbook\\_2015](http://www.ubc-voc.com/wiki/VOC_Songbook_2015).

### 3 - Always look on the bright side of life

Monty Python

*(In loving memory of Stephanie Grothe & Neil Mackenzie)*

1.        **Am**                    **D**                    **G**                    **Em**  
Some things in life are bad, they can really make you mad  
      **Am**                    **D**                    **G**  
Other things just make you swear and curse  
      **Am**                    **D**  
When you're chewing on life's gristle  
      **G**                    **Em**  
Don't grumble, give a whistle  
      **Am**                    **D7**  
And this'll help things turn out for the best...

Chorus:

**G**        **Em**            **Am** **D7**    **G** **Em**        **Am** **D7**  
And...always look on the bright side of life (whistle)  
**G**        **Em**            **Am** **D7**    **G** **Em**        **Am** **D7**  
Always look on the light side of life (whistle)

2.        **Am**                    **D**                    **G**                    **Em**  
If life seems jolly rotten, there's something you've forgotten  
      **Am**                    **D**                    **G**  
And that's to laugh and smile and dance and sing  
      **Am**                    **D**                    **G**                    **Em**  
When you're feeling in the dumps, don't be silly chumps  
      **Am**                    **D7**  
Just purse your lips and whistle that's the thing.

Chorus:

**G**        **Em**            **Am** **D7**    **G** **Em**        **Am** **D7**  
And... always look on the bright side of life (whistle)  
**G**        **Em**            **Am** **D7**    **G** **Em**        **Am** **D7**  
Always look on the right side of life (whistle)

3.        **Am**                    **D**                    **G**                    **Em**  
For life is quite absurd, And death's the final word  
      **Am**                    **D**                    **G**  
You must always face the curtain with a bow  
      **Am**                    **D**                    **G**                    **Em**  
Forget about your sin give the audience a grin  
      **Am**                    **D7**  
Enjoy it it's your last chance anyhow.

Chorus:

**G**        **Em**            **Am** **D7**    **G** **Em**        **Am** **D7**  
So always look on the bright side of death (whistle)  
**G**        **Em**            **Am** **D7**    **G** **Em**        **Am** **D7**  
Just before you draw your terminal breath (whistle)

4. **Am** **D** **G** **Em**  
 Life's a piece of shit, when you look at it  
**Am** **D** **G**  
 Life's a laugh and death's a joke, it's true  
**Am** **D** **G** **Em**  
 You'll see it's all a show, keep 'em laughing as you go  
**Am** **D7**  
 Just remember that the last laugh is on you

Chorus:

Repeat till end of song

**G** **Em** **Am** **D7** **G** **Em** **Am** **D7**  
 And... always look on the bright side of life(whistle)  
**G** **Em** **Am** **D7** **Em** **Em** **Am** **D7**  
 Always look on the right side of life (whistle)  
**A** **F#m** **Bm** **E7** **A** **F#m** **Bm** **E7**  
 Always look on the bright side of life (whistle)

C'mon Brian, cheer up! Worse things happen at sea you know  
 I mean what have you got to lose? You know, you come from nothing  
 you're going back to nothing. What have you lost? Nothing!  
 Cheer up ya old bugga c'mon give us a grin! At same time there ya go,  
 see!

## 4 - American pie

Don McLean

1.     **G**     **D**     **Em7**  
A long, long time ago  
     **Am**                     **C**  
I can still re-member  
             **Em**                                     **D**  
how that music used to make me smile  
And I     **G**             **D**     **Em7**  
knew if I had my chance  
That I     **Am**                                     **C**  
could make those people dance  
And maybe they'd be happy for a while  
     **Em**                                     **C**             **D**  
But February made     **Am**             me shiver  
     **Em**     With every paper I'd     **Am**     deliver  
     **C**             **G**             **Am**  
Bad news on the doorstep  
     **C**                                     **D**  
I couldn't take one more step  
     **G**                     **D**             **Em**  
I can't remember if I cried  
When I read     **Am7**                     **D**  
about his widowed bride  
     **G**                     **D**             **Em**  
Something touched me deep inside  
     **C**             **D7**     **G**     **C**     **G**  
The day the music died
- Chorus:**
- G**     **C**                     **G**     **D**  
(quietly) Bye, bye, Miss American Pie  
Drove my Chevy to the levee, but the levee was dry  
     **G**                     **C**                     **G**                     **D**  
Them good old boys were drinkin' whiskey and rye  
     **G**                     **C**                     **G**                     **D**  
Singin' this'll be the day that I die  
     **Em**                     **A7**  
This'll be the day that I die  
     **Em**                     **D7**  
This'll be the day that I die
2.     **G**                     **Am**  
Did you write the book of love  
     **C**                     **Am**  
And do you have faith in god above,  
     **Em**                     **D**  
if the bible tells you so?  
     **G**     **D**             **Em**  
Now do you believe in rock and roll  
     **Am7**                     **C**  
Can music save your mortal soul  
     **Em**                     **A7**                     **D**  
And can you teach me how to dance real slow?

Well, I know that you're in love with him  
 'Cause I saw you dancin' in the gym  
 You both kicked off your shoes  
 Man, I dig those rhythm and blues  
 I was a lonely teenage broncin' buck  
 With a pink carnation and a pickup truck  
 But I knew I was out of luck  
 The day the music died  
 I started singin'

Repeat Chorus (louder)

3. Now for ten years we've been on our own  
 And moss grows fat on a rollin' stone  
 But that's not how it used to be  
 When the jester sang for the king and queen  
 In a coat he borrowed from James Dean  
 And a voice that came from you and me  
 Oh, and while the king was looking down  
 The jester stole his thorny crown  
 The courtroom was adjourned  
 No verdict was re-turned  
 And while Lenin read a book on Marx  
 A quartet practiced in the park  
 And we sang dirges in the dark  
 The day the music died  
 We were singin'

Repeat Chorus (loudest)

4. Oh, and there we were all in one place  
A generation lost in space  
With no time left to start again  
So come on, Jack be nimble, Jack be quick  
Jack Flash sat on a candlestick  
'Cause fire is the devil's only friend  
Oh, and as I watched him on the stage  
My hands were clenched in fists of rage  
No angel born in Hell  
Could break that Satan's spell  
And as the flames climbed high into the night  
To light the sacrificial rite  
I saw Satan laughing with delight  
The day the music died  
He was singing

## Repeat Chorus (less loud)

5. *(quietly)* I met a girl who sang the blues  
 And I asked her for some happy news  
 But she just smiled and turned away  
 I went down to the sacred store  
 Where I'd heard the music years before  
 But the man there said the music wouldn't play...  
 And in the streets the children screamed  
 The lovers cried, and the poets dreamed  
 But not a word was spoken  
 The church bells all were broken

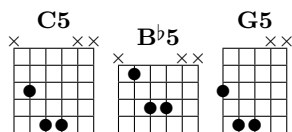

And the **G** three men **D** I **Em** admire most  
 The **Am7** Father, **C** Son, and the **D7** Holy Ghost  
 They caught the last train for **G** the coast **Em**  
 The day the music died **C** **D7** **G** **C** **G**

And they were singing

Repeat Chorus (quietly and slowly)

 American woman, listen what I say.

## 7 - Barrett's privateers

Stan Rogers

1.    Oh the year was Seventeen Seventy-Eight  
 How I wish I was in Sherbrooke now  
 A letter of marque came from the king  
 To the scummiest vessel I've ever seen

Chorus:

God damn them all  
I was told we'd cruise the seas for American gold  
We'd fire no guns, shed no tears  
Now I'm a broken man on a Halifax pier,  
The last of Barrett's Privateers

2. O Elcid Barrett cried the town  
How I wish I was in Sherbrooke now  
For twenty brave men all fishermen who  
Would make for him the Antelope's crew

Repeat Chorus

3. The Antelope sloop was a sickening sight  
How I wish I was in Sherbrooke now  
She'd a list to the port and her sails in rags  
And the cook in the scuppers with the staggers and jags

Repeat Chorus

4. On the King's birthday we put to sea  
How I wish I was in Sherbrooke now  
Ninety-one days to Montego Bay  
Pumping like madmen all the way

Repeat Chorus

5. On the ninety-sixth day we sailed again  
How I wish I was in Sherbrooke now  
When a great big Yankee hove in sight  
With our cracked four-pounders we made to fight

Repeat Chorus

6. The Yankee lay low down with gold  
How I wish I was in Sherbrooke now  
She was broad and fat and loose in stays  
But to catch her took the Antelope two whole days

Repeat Chorus

7. Then at length she stood two cables away  
How I wish I was in Sherbrooke now  
Our cracked four-pounders made awful din  
But with one fat ball the Yank stove us in

### Repeat Chorus

8. The Antelope shook and pitched on her side  
How I wish I was in Sherbrooke now  
Barrett was smashed like a bowl of eggs  
And the main truck carried off both me legs

### Repeat Chorus

9. Now here I lay in my twenty-third year  
How I wish I was in Sherbrooke now  
It's been six years since we sailed away  
And I just made Halifax yesterday

### Repeat Chorus

          **C**           **D**  
Before you call him a man?

How many seas must a white dove sail  
          **G**           **C**           **D**  
Before she sleeps in the sand?  
**G**           **C**           **G**  
How many times must the cannon balls fly

The answer my friend is blowin' in the wind  
          **C**           **D**           **G**  
The answer is blowin' in the wind.
2.     **G**           **C**           **G**

**G**           **C**           **G**  
How many times can a man turn his head  
                          **C**           **D**  
Pretending he just doesn't see?  
          **C**           **D**           **G**           **Em**

          **C**           **D**  
Before he really see the sky?  
**G**           **C**           **G**           **Em**  
How many ears must one man have  
          **G**           **C**           **D**  
Before he can hear people cry?  
**G**           **C**           **G**  
How many deaths will it take till he knows  
                          **C**           **D**  
That too many people have died?  
          **C**           **D**           **G**           **Em**  
The answer my friend is blowin' in the wind  
          **C**           **D**           **G**

# 10 - Bohemian rhapsody

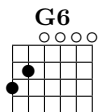

Queen

1. Is this the real life?  
Is this just fantasy?  
Caught in a landslide,  
No escape from reality.  
Open your eyes,  
Look up to the skies and see,  
I'm just a poor boy, I need no sympathy,  
'cause I'm easy come, easy go,  
Little high, little low,  
Any way the wind blows doesn't really matter to me, to me.
2. Mama, just killed a man,  
Put a gun against his head,  
Pulled my trigger, now he's dead.  
Mama, life had just begun,  
But now I've gone and thrown it all away.  
Mama, ooh,  
Didn't mean to make you cry,  
If I'm not back again this time tomorrow,  
Carry on, carry on as if nothing really matters.
3. Too late, my time has come,  
Sent shivers down my spine,  
Body's aching all the time.  
Goodbye, everybody, I've got to go,  
Gotta leave you all behind and face the truth.  
Mama, ooh (any way the wind blows),  
I don't wanna die,  
I sometimes wish I'd never been born at all.
4. I see a little silhouetto of a man,  
Scaramouche, Scaramouche, will you do the Fandango?  
Thunderbolt and lightning,  
Very, very frightening me.  
(Galileo) Galileo.  
(Galileo) Galileo,  
Galileo Figaro  
Magnifico.
5. I'm just a poor boy and nobody loves me.  
He's just a poor boy from a poor family,  
Spare him his life from this monstrosity.

6. Easy come, easy go, will you let me go?  
 Bismillah! No, we will not let you go.  
 (Let him go!) Bismillah! We will not let you go.  
 (Let him go!) Bismillah! We will not let you go.  
 (Let me go) Will not let you go.  
 (Let me go) Will not let you go.  
 (Never, never, never let me go) Ah.  
 No, no, no, no, no, no, no.  
 (Oh, mama mia, mama mia) Mama mia, let me go.  
 Beelzebub has a devil put aside for me, for me, for me.
7. So you think you can stone me and spit in my eye?  
 So you think you can love me and leave me to die?  
 Oh, baby, can't do this to me, baby,  
 Just gotta get out, just gotta get right outta here.  
 (Oh, yeah, oh yeah)  
 Nothing really matters,  
 Anyone can see,  
 Nothing really matters,  
 Nothing really matters to me.

## 11 - The boxer

Simon and Garfunkel

1. **C**  
 I am just a poor boy,  
 though my story's seldom told **Am**  
**G**  
 I have squandered my resistance  
**G7** **G6** **C**  
 For a pocket full of mumbles such are promises  
**Am**  
 All lies and jests  
**G** **F**  
 Still a man hears what he wants to hear  
**C** **G** **G7** **G6** **C**  
 And disregards the rest

2. When I left my home and my family  
 I was no more than a boy  
 In the company of strangers  
 In the quiet of the railway station running scared  
 Laying low, seeking out the poorer quarters  
 Where the ragged people go  
 Looking for the places only they would know

Chorus:

Lie la lie, Lie la lie la lie la lie, Lie la lie,  
 Lie la lie la la la la, lie la la la la la lie.

3. Asking only workman's wages  
 I come looking for a job  
 But I get no offers,  
 Just a come-on from the whores on Seventh Avenue  
 I do declare, there were times when I was so lonesome  
 I took some comfort there  
 Lie lie lie lie la

Repeat Chorus

4. Then I'm laying out my winter clothes  
 And wishing I was gone  
 Going home  
 Where the New York City winters aren't bleeding me  
 Bleeding me, going home

5. In the clearing stands a boxer  
 And a fighter by his trade  
 And he carries the reminders  
 Of ev'ry glove that laid him down  
 Or cut him till he cried out  
 In his anger and his shame  
 "I am leaving, I am leaving"  
 But the fighter still remains mmmmmmm mmmmm  
 G7 C

#### Chorus:

Lie la lie, Lie la lie la lie la lie, Lie la lie,  
 Lie la lie la la la, lie la la la la lie. *(repeat till fade out...)*

## 12 - Boxer spoof "The sportivo"

VOCer

1. I am just a Sporto,  
 though my gear is rarely pulled  
 I have squandered my protection  
 For a pocket full of quickdraws such are redpoints  
 All falls and whips,  
 Still a man clips what he wants to clip  
 And runs out the rest

2. When I left my gym and my Grigri,  
 I was no more than a sketch  
 In the company of hangdogs  
 In the quiet of the spandex falling scared  
 Laying low, seeking out the bolted sport crags  
 Where the sporty people go  
 Looking for the stickclips only they would know

**Chorus:**

Lie la lie, Lie la lie la lie la lie, Lie la lie,  
 Lie la lie la la la la, lie la la la la la lie.

             **G**                                **D**                                **C**                                **Am**  
Find a girl, settle down, if you want you can marry.  
             **G**                                **Em**                                **Am C D**  
Look at me, I am old, but I'm happy.
2.        **G**                                **D**                                **C**                                **Am7**  
I was once like you are now, and I know that it's not easy,  
             **G**                                **Em**                                **Am C D**  
To be calm when you've found something going on.  
             **G**                                **D**  
But take your time, think a lot,  
             **C**                                **Am7**  
Why, think of everything you've got.  
             **G**                                **Em**                                **D**                                **G**  
For you will still be here tomorrow, but your dreams may not.
3.        **G**                                **Bm**                                **C**                                **Am7**  
How can I try to explain, when I do he turns away again.  
             **G**                                **Em**                                **Am C D**  
It's always been the same, same old story.  
             **G**                                **Bm**                                **C**                                **Am7**  
From the moment I could talk I was ordered to listen  
             **G**                                **Em**                                **D**                                **G**  
now there's a way and I know that I have to go away.  
             **D**                                **C**                                **G**  
I know I have to go.
4.        **G**                                **D**                                **C**                                **Am**  
It's not time to make a change. Just sit down, take it slowly.  
             **G**                                **Em**  
You're still young, that's your fault,  
             **Am**                                **D**  
There's so much you have to go through.  
             **G**                                **D**                                **C**                                **Am**  
Find a girl, settle down, if you want you can marry.  
             **G**                                **Em**                                **Am C D**  
Look at me, I am old, but I'm happy.

5. All the <sup>G</sup> times that I <sup>Bm</sup> cried, keeping all the things I <sup>C</sup> knew inside, <sup>Am</sup>  
 It's <sup>G</sup> hard, but it's <sup>Em</sup> harder to <sup>Am</sup> ignore it. <sup>C D</sup>  
 If they were <sup>G</sup> right, I'd <sup>Bm</sup> agree, but it's <sup>C</sup> them you know <sup>Am</sup> not me.  
 Now there's a <sup>G</sup> way and I <sup>Em</sup> know that I <sup>D</sup> have to go <sup>G</sup> away.  
 I <sup>D</sup> know I <sup>C</sup> have to <sup>G</sup> go.

 It <sup>C</sup> goes <sup>F</sup> like <sup>G</sup> this, the fourth, the fifth  
 The <sup>Am</sup> minor <sup>F</sup> fall, the major lift

 Hallelujah, Hallelujah,

 She <sup>C</sup> tied <sup>F</sup> you <sup>G</sup> to a kitchen chair  
 She <sup>Am</sup> broke <sup>F</sup> your throne, and she cut your hair  
 And <sup>G</sup> from <sup>E</sup> your lips she drew the Hallelujah <sup>Am</sup>

## 51 - I will follow you into the dark

Death Cab for Cutie

### capo 5 (optional)

- C** Love of mine, someday you **Am** will die,  
but I'll be **F** close behind; I'll follow you into the **C** dark. **G**  
**C** No blinding light, or tunnels to **Am** gates of white,  
just our hands **F** clasped so tight, waiting for the **C** hint of a **G** spark.

### Chorus:

**Am** **C** **F** **C** **G**  
If heaven and hell decide that they both are satisfied,

In Catholic school, as vicious as Roman rule,

I got my knuckles bruised by a lady in black.

but it's nothing to cry about 'cause we'll hold each other soon  
**Am** **F**  
in the blackest of rooms.

I'll follow you into the dark.

## 52 - I will survive

Gloria Gaynor

1. **Am** **Dm**  
At first I was afraid, I was petrified,  
**G** **C**  
Kept thinking I could never live without you by my side.  
**F** **Bm**  
But then I spent so many nights, thinking how you did me wrong,  
**E** **E7**  
And I grew strong; and I learned how to get along.

2. And so you're <sup>Am</sup>back, from outer <sup>Dm</sup>space,  
 I just walked in <sup>G</sup>to find you here, with that sad <sup>C</sup>look upon your face.  
 I should have <sup>F</sup>changed that stupid lock, I should have <sup>Bm</sup>made you leave  
 your key,  
 If I had <sup>E</sup>known for just one second, you'd be <sup>E7</sup>back to bother me.

**Chorus 1:**

Go on now, <sup>Am</sup>go; walk out the <sup>Dm</sup>door;  
 Just turn around now, 'cos you're not <sup>C</sup>welcome any more.  
<sup>F</sup>Weren't you the one who tried to <sup>Bm</sup>hurt me with goodbye?  
 Did you think I'd <sup>E</sup>crumble; did you think I'd <sup>E7</sup>lay down and die?  
 Oh no, not I; <sup>Am</sup>I will survive, <sup>Dm</sup>  
 Oh, as long as I know how to love, I know I'll stay alive.  
 I've got <sup>F</sup>all my life to live, and I've got all <sup>Bm</sup>my love to give,  
 And I'll survive, I will survive, I will survive... <sup>E</sup> <sup>E7</sup> <sup>Am</sup>

**Interlude:**

**Am Dm G C F Bm E E7**

3. I prayed the <sup>Am</sup>Lord to give me strength not to fall <sup>Dm</sup>apart,  
 Though I tried hard to mend the pieces of my <sup>G</sup>broken heart.  
 And I spent <sup>F</sup>oh, so many nights, just feeling sorry for myself, <sup>Bm</sup>  
 I used to cry, but now I hold my head up high. <sup>E</sup> <sup>E7</sup>
4. And you'll see me <sup>Am</sup>with somebody <sup>Dm</sup>new,  
 I'm not that chained up little person, still in love with you. <sup>G</sup> <sup>C</sup>  
 And so you felt like dropping in and just expect me to be free, <sup>F</sup> <sup>Bm</sup>  
 Well, now I'm saving all my loving, for someone who's loving me. <sup>E</sup> <sup>E7</sup>

## Chorus 2:

Go on now, <sup>Am</sup> go; walk out the <sup>Dm</sup> door;  
Just turn <sup>G</sup> around now, 'cos you're not <sup>C</sup> welcome any more.  
<sup>F</sup> Weren't you the one who tried to crush me with goodbye?  
Did you think I'd <sup>E</sup> crumble; did you think I'd <sup>E7</sup> lay down and die?  
Oh no, not I; <sup>Am</sup> I will <sup>Dm</sup> survive,  
And as long as I know how to love, I know I'll stay alive.  
I've got <sup>F</sup> all my life to live, and I've got all <sup>Bm</sup> my love to give,  
And I'll <sup>E</sup> survive, I <sup>E7</sup> I I will <sup>Am</sup> survive...  
<sup>Am</sup> <sup>Dm</sup>

Optional: Repeat from Chorus 1 to end of song

## 53 - I will survive spoof "I will derive"

Anonymous

- <sup>Am</sup> At first I was afraid, what could the <sup>Dm</sup> answer be?  
It said <sup>G</sup> given this position find <sup>C</sup> velocity.  
<sup>F</sup> So I tried to work it out but I <sup>Bm</sup> knew that I was wrong.  
<sup>E</sup> I struggled; I cried: "the problem <sup>E7</sup> shouldn't take this long!"
- <sup>Am</sup> I tried to think, control my <sup>Dm</sup> nerve...  
It's evident that speed's tangential to that <sup>C</sup> time-position curve  
<sup>F</sup> This problem would be mine  
<sup>Bm</sup> If I just knew that tangent line, but what to do? <sup>E</sup> Show me a sign! <sup>E7</sup>

Chorus:

So I thought <sup>Am</sup> back: to calculus, <sup>Dm</sup>  
Way back to <sup>G</sup> Newton and to Leibniz  
And to problems just like this. <sup>C</sup>  
<sup>F</sup> And just like that when I had <sup>Bm</sup> given up all hope  
I said <sup>E</sup> nope. There's just one way <sup>E7</sup> to find that slope!  
And so now I, <sup>Am</sup> I will <sup>Dm</sup> derive!  
Find the <sup>G</sup> derivative of x's position <sup>C</sup> with respect to time.  
It's as <sup>F</sup> easy as can be; just have to <sup>Bm</sup> take  $dx/dt$   
I will <sup>E</sup> derive, I will <sup>E7</sup> derive, hey <sup>Am</sup> hey!

Interlude:

Am Dm G C F Bm E E7

3. And then I <sup>Am</sup> went ahead to the <sup>Dm</sup> second part  
But as I <sup>G</sup> looked at it I wasn't quite <sup>C</sup> sure how to start:  
It was <sup>F</sup> asking for the time at <sup>Bm</sup> which velocity  
was at a <sup>E</sup> maximum. And I was <sup>E7</sup> thinking, "Woe is me!"
4. But then I <sup>Am</sup> though: "This much I <sup>Dm</sup> know  
I gotta <sup>G</sup> find acceleration, set it <sup>C</sup> equal to zero.  
<sup>F</sup> Now if I only knew what the <sup>Bm</sup> function was for "A" ...  
<sup>E</sup> I guess I'm gonna have to <sup>E7</sup> solve for it some way."

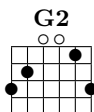

Repeat Chorus, Interlude

Repeat Chorus, replace last line with:

I will <sup>E</sup> derive, I will <sup>E7</sup> derive, I will <sup>Am</sup> derive!

 And I'll <sup>**Am G C F C G2**</sup>kneel down, Know my ground

 And use my <sup>**C**</sup>head alongside my <sup>**G2 G**</sup>heart  
 So tame my <sup>**C**</sup>flesh, And fix my <sup>**F**</sup>eyes  
 A <sup>**C**</sup>tethered mind freed from the <sup>**G2 G**</sup>lies

## 79 - Lumberjack song

Monty Python

### Narrated

I didn't want to be a barber anyway.  
I wanted to be... a Lumberjack  
Leaping from tree to tree! As they float down the mighty rivers of  
British Columbia!  
The Giant Redwood!  
The Larch!  
The Fir  
The Mightly Scotts Pine!  
The smell of fresh cut timber!  
The crash of mighty trees.  
With my best girlie by my side.  
We'd sing! Sing! Sing!

1. <sup>G</sup>I'm a lumberjack and <sup>C</sup>I'm O.K.  
<sup>D</sup>I sleep all night and <sup>G</sup>I work all day.

5.     <sup>G</sup> He cuts down trees, he <sup>C</sup> skips and jumps, he <sup>D</sup> likes to press wild <sup>G</sup> flowers

## 80 - The Mary Ellen Carter

Stan Rogers

Intro: <sup>G</sup> <sup>C</sup> <sup>D</sup> <sup>G</sup>

<sup>G</sup> <sup>C</sup> <sup>D</sup> <sup>C</sup> <sup>D</sup> <sup>G</sup>

<sup>G</sup> <sup>C</sup> <sup>D</sup> <sup>G</sup>

1. She <sup>G</sup>went down last October, in a pouring driving rain,  
 The skipper he'd been drinking and the mate he felt no pain,  
 Too close to Three Mile Rock and she was dealt her mortal blow and  
 The Mary Ellen Carter settled low.

2. There was <sup>G</sup>just us five aboard her, when she finally was awash,  
 We worked like hell to save her, all heedless of the cost,  
 and the groan she gave as she went down, it caused us to proclaim,  
 That the Mary Ellen Carter would rise again.

G C G D

3. Well the owners wrote her off, not a nickel would they spend,  
 "She gave twenty years of service, boys, then met her sorry end.  
 But insurance paid the loss to us, so let her rest below.",  
 Then they laughed at us and said we had to go.

4. But we talked of her all winter, some days around the clock.  
 She's worth a quarter million, a-floating at the dock and  
 With every jar that hit the bar, we swore we would remain and  
 Make the Mary Ellen Carter rise again!

# Chorus:

<sup>Am</sup>Rise again, rise again, <sup>D</sup>that her name not be lost,  
 To the knowledge of men, all those who loved her best and  
 Were with her 'til the end,  
 Will make the Mary Ellen Carter rise again.

G C G D

5. All spring now we've been with her, on a barge lent by a friend.  
 Three <sup>Am</sup>dives a day in a hard hat suit, and twice I've had the bends.  
 Thank God it's only sixty feet, and the currents here are slow, or  
 I'd never have the strength to go below.

6. But we've <sup>G</sup>patched her rents, stopped her vents, dogged <sup>C</sup>hatch, and  
<sup>D</sup>portholes <sup>G</sup>down,  
Put cables to her, fore and aft and <sup>C</sup>girded her <sup>D</sup>around,  
<sup>G</sup>Tomorrow noon, we hit the air and <sup>C</sup>then take up the <sup>G</sup>strain, and  
Make the <sup>Am</sup>Mary Ellen <sup>D</sup>Carter rise <sup>G</sup>again!

Chorus:

- <sup>Am</sup>Rise <sup>D</sup>again, <sup>G</sup>rise <sup>C</sup>again, <sup>C</sup>that her name not be lost,  
<sup>G</sup>To the knowledge of men, all those who loved her best and  
<sup>C</sup>Were with her 'til the end, <sup>D</sup>  
Will make the <sup>Am</sup>Mary Ellen <sup>D</sup>Carter rise <sup>G</sup>again.
7. For we couldn't leave her there, you see to crumble into scale.  
<sup>Am</sup>She'd saved our lives, so many times, <sup>C</sup>living through the <sup>D</sup>gale, and  
<sup>G</sup>The laughing, drunken rats, who left her to a sorry grave, <sup>C</sup>  
<sup>Am</sup>They won't be laughing in another day, <sup>D</sup>
8. and You, to whom adversity has dealt the final blow, <sup>C</sup>  
<sup>Am</sup>With smiling bastards lying to you, everywhere you go, <sup>C</sup> <sup>D</sup>  
<sup>G</sup>Turnto, and put out all your strength, of arm, and heart and <sup>C</sup>brain, and <sup>G</sup>  
Like the <sup>Am</sup>Mary Ellen <sup>D</sup>Carter rise <sup>G</sup>again!

Repeat Chorus

# 81 - Me & Bobby McGee

Janis Joplin

1. <sup>G</sup> Busted flat in Baton Rouge, waiting for a train  
And I's feeling nearly as faded as my <sup>D</sup> jeans.  
Bobby thumbed a diesel down just before it rained,  
It rode us all the way to New Orleans. <sup>G</sup>  
I pulled my harp from and my dirty red bandanna,  
I was playing soft while <sup>G7</sup> Bobby sang the <sup>C</sup> blues.  
Windshield wipers slapping time, I was <sup>G</sup> holding Bobby's hand in mine,  
<sup>D7</sup> We sang every song that driver knew.

## Chorus:

- <sup>C</sup> Freedom is just another word for <sup>G</sup> nothing left to lose,  
<sup>D7</sup> Nothing don't mean nothing honey if it ain't <sup>G</sup> free, now now.  
And feeling good was easy, Lord, <sup>C</sup> when he sang the <sup>G</sup> blues,  
<sup>D7</sup> You know feeling good was good enough for me,  
Good enough for me and my Bobby <sup>G</sup> McGee. <sup>A</sup>
2. From the Kentucky coal mines to the California sun,  
Hey, Bobby shared the secrets of my <sup>E</sup> soul.  
Through all kinds of weather, through everything that we done,  
Hey Bobby baby kept me from the <sup>A</sup> cold.  
One day up near Salinas, Lord, I let him slip away,  
He's looking for that home and I hope he <sup>A7</sup> finds it, <sup>D</sup>  
But I'd trade all of my tomorrows for one <sup>A</sup> single yesterday  
<sup>E7</sup> To be holding Bobby's body next to mine.

Chorus:

<sup>D</sup>Freedom is just another word for <sup>A</sup>nothing left to lose,  
<sup>E7</sup>Nothing, that's all that Bobby left me, <sup>A</sup>yeah,  
<sup>D</sup>But feeling good was easy, <sup>A</sup>Lord, when he sang the blues,  
<sup>E7</sup>Hey, feeling good was good enough for me, hmm hmm,  
Good enough for me and my Bobby McGee. <sup>A</sup>

La la la, la la la la, la la la, la la la la

La la la la la Bobby McGee. <sup>E</sup>

La la la la la, la la la la la

La la la la la, Bobby McGee, <sup>A</sup>la.

## 82 - Mr. Tambourine Man

Bob Dylan

Chorus:

<sup>C</sup>Hey! Mr <sup>D</sup>Tambourine Man, <sup>G</sup>play a song for me <sup>C</sup>  
<sup>G</sup>I'm not sleepy and there is <sup>C</sup>no place I'm going to <sup>D7</sup>  
<sup>C</sup>Hey! Mr <sup>D</sup>Tambourine Man, <sup>G</sup>play a song for me <sup>C</sup>  
<sup>G</sup>In the jingle jangle morning I'll come <sup>D7</sup>followin' you. <sup>G</sup>

1. <sup>C</sup>Though I know that evenin's empire has returned into sand <sup>D</sup>  
<sup>G</sup>Vanished from my hand <sup>C</sup>  
<sup>G</sup>Left me <sup>D</sup>blindly here to stand but still not sleeping <sup>D</sup>  
<sup>C</sup>My weariness amazes me, I'm <sup>D</sup>branded on my feet <sup>G</sup>  
<sup>G</sup>I have no one to meet <sup>C</sup>  
<sup>G</sup>And the ancient empty <sup>C</sup>street's too dead for dreaming. <sup>D</sup>

Repeat Chorus

2.     <sup>C</sup> Take me on a <sup>D</sup> trip upon your <sup>G</sup> magic swirlin' <sup>C</sup> ship  
        <sup>G</sup> My senses have been <sup>C</sup> stripped, my <sup>G</sup> hands can't feel to <sup>C</sup> grip  
        <sup>G</sup> My toes too numb to <sup>C</sup> step, wait only for my <sup>G</sup> boot <sup>C</sup> heels  
        <sup>D</sup> To be wanderin'  
        <sup>C</sup> I'm ready to go <sup>D</sup> anywhere, I'm ready for to <sup>G</sup> fade <sup>C</sup>  
        <sup>G</sup> Into my own <sup>C</sup> parade, cast your <sup>G</sup> dancing spell my <sup>C</sup> way  
        <sup>D</sup> I promise to go under it.

Repeat Chorus

3.     <sup>C</sup> Though you might hear <sup>D</sup> laughin', spinnin' <sup>G</sup> swingin' <sup>C</sup> madly across the <sup>C</sup> sun  
        <sup>G</sup> It's not aimed at <sup>C</sup> anyone, it's just <sup>G</sup> escapin' on the <sup>C</sup> run  
        <sup>G</sup> And but for the sky there <sup>C</sup> are no fences <sup>D</sup> facin'  
        <sup>C</sup> And if you hear <sup>D</sup> vague <sup>G</sup> traces of <sup>C</sup> skippin' reels of <sup>C</sup> rhyme  
        <sup>G</sup> To your <sup>C</sup> tambourine in <sup>G</sup> time, it's just a <sup>C</sup> ragged clown <sup>C</sup> behind  
        <sup>G</sup> I wouldn't pay it any <sup>C</sup> mind, it's just a <sup>G</sup> shadow you're  
        <sup>C</sup> Seein' that he's <sup>D</sup> chasing.

Repeat Chorus

4.     <sup>C</sup> Then take me <sup>D</sup> disappearin' through the <sup>G</sup> smoke rings of my <sup>C</sup> mind  
        <sup>G</sup> Down the foggy <sup>C</sup> ruins of <sup>G</sup> time, far past the <sup>C</sup> frozen leaves  
        <sup>G</sup> The <sup>C</sup> haunted, frightened <sup>G</sup> trees, out to the <sup>C</sup> windy beach  
        <sup>G</sup> Far from the <sup>C</sup> twisted reach of <sup>D</sup> crazy <sup>C</sup> sorrow  
        <sup>C</sup> Yes, to dance <sup>D</sup> beneath the <sup>G</sup> diamond sky with <sup>C</sup> one hand <sup>C</sup> waving <sup>C</sup> free  
        <sup>G</sup> Silhouetted by the <sup>C</sup> sea, circled by the <sup>G</sup> circus <sup>C</sup> sands  
        <sup>G</sup> With all <sup>C</sup> memory and <sup>G</sup> fate driven <sup>C</sup> deep beneath the <sup>C</sup> waves  
        <sup>G</sup> Let me <sup>C</sup> forget about <sup>D</sup> today until <sup>C</sup> tomorrow.

Repeat Chorus

## 87 - Northwest passage

Stan Rogers

Chorus:

Ah, for just one time I would take the Northwest Passage  
To find the hand of Franklin reaching for the Beaufort Sea;  
Tracing one warm line through a land so wild and savage  
And make a Northwest Passage to the sea.

1. Westward from the Davis Strait 'tis there 'twas said to lie  
The sea route to the Orient for which so many died;  
Seeking gold and glory, leaving weathered, broken bones  
And a long-forgotten lonely cairn of stones.

Repeat Chorus

2. Three centuries thereafter, I take passage overland  
In the footsteps of brave Kelso, where his "sea of flowers" began  
Watching cities rise before me, then behind me sink again  
This tardiest explorer, driving hard across the plain.

Repeat Chorus

3. And through the night, behind the wheel, the mileage clicking west  
I think upon Mackenzie, David Thompson and the rest  
Who cracked the mountain ramparts and did show a path for me  
To race the roaring Fraser to the sea.

Repeat Chorus

4. How then am I so different from the first men through this way?  
Like them, I left a settled life, I threw it all away.  
To seek a Northwest Passage at the call of many men  
To find there but the road back home again.

Repeat Chorus

# 91 - Piano man

Billy Joel

1. It's nine o'clock on a Saturday, the regular crowd shuffles in  
There's an old man sitting next to me making love to his tonic and gin
2. He says, "Son, can you play me a memory,  
I'm not really sure how it goes  
But it's sad and it's sweet and I knew it complete  
When I wore a younger man's clothes."  
la la la, di da da La la, di di da da dum

## Chorus:

- Sing us a song, you're the piano man. Sing us a song tonight  
Well, we're all in the mood for a melody  
And you've got us all feeling alright
3. Now John at the bar is a friend of mine. He gets me my drinks for free  
And he's quick with a joke or to light up your smoke  
But there's some place that he'd rather be  
He says, "Bill, I believe this is killing me."  
As the smile ran away from his face  
"Well I'm sure that I could be a movie star  
If I could get out of this place"  
la la la, di da da La la, di di da da dum
4. Now Paul is a real estate novelist who never had time for a wife  
And he's talking with Davy, who's still in the Navy  
And probably will be for life  
And the waitress is practicing politics  
As the businessman slowly gets stoned  
Yes, they're sharing a drink they call loneliness  
But it's better than drinking alone

## Chorus:

Sing us a song, you're the piano man. Sing us a song tonight

# 95 - Rasputin

Boney M

1. There lived a certain man in Russia long ago  
He was big and strong, in his eyes a flaming glow  
Most people looked at him with terror and with fear  
But to Moscow chicks he was such a lovely dear  
He could preach the bible like a preacher  
Full of ecstasy and fire  
But he also was the kind of teacher  
Women would desire

## Chorus 1:

RA RA RASPUTIN  
Lover of the Russian queen  
There was a cat that really was gone  
RA RA RASPUTIN  
Russia's greatest love machine  
It was a shame how he carried on

2. He ruled the Russian land and never mind the Czar  
But the kasachok he danced really wunderbar  
In all affairs of state he was the man to please  
But he was real great when he had a girl to squeeze  
For the queen he was no wheeler dealer  
Though she'd heard the things he'd done  
She believed he was a holy healer  
Who would heal her son

## Repeat Chorus 1

3. (Spoken:)  
But when his drinking and lusting and his hunger  
for power became known to more and more people,  
the demands to do something about this outrageous  
man became louder and louder.
4. "This man's just got to go!" declared his enemies  
But the ladies begged "Don't you try to do it, please"  
No doubt this Rasputin had lots of hidden charms  
Though he was a brute they just fell into his arms  
Then one night some men of higher standing  
Set a trap, they're not to blame  
"Come to visit us" they kept demanding  
And he really came

5. RA RA RASPUTIN  
 Lover of the Russian queen  
 They put some poison into his wine  
 RA RA RASPUTIN  
 Russia's greatest love machine  
 He drank it all and he said "I feel fine"

6. RA RA RASPUTIN  
 Lover of the Russian queen  
 They didn't quit, they wanted his head  
 RA RA RASPUTIN  
 Russia's greatest love machine  
 And so they shot him till he was dead

(Spoken:) Oh, those Russians...

## 101 - Sound of silence

Simon And Garfunkel

### capo 1 (optional)

1. **Am** **G** **Am**  
Hello darkness, my old friend. I've come to talk with you again  
**C** **F** **C** **F** **C**  
Because a vision softly creeping. Left its seeds while I was sleeping  
**F** **C** **Am**  
And the vision that was planted in my brain still remains  
**C** **G** **Am**  
Within the sound of silence
2. **G** **Am**  
In restless dreams I walked alone. Narrow streets of cobblestone  
**C** **F** **C** **F**  
'Neath the halo of a street lamp. I turned my collar to the cold and  
**C** **F** **C**  
damp. When my eyes were stabbed by the flash of a neon light that  
**Am**  
split the night  
**C** **G** **Am**  
And touched the sound of silence

3. And in the naked light I saw. Ten thousand people, maybe more  
 People talking without speaking. People hearing without listening  
 People writing songs that voices never share and no one dared  
 Disturb the sound of silence
4. Fools said I, you do not know. Silence like a cancer grows  
 Hear my words that I might teach you. Take my arms that I might reach  
 you. But my words like silent raindrops fell  
 And echoed in the wells of silence
5. And the people bowed and prayed. To the neon God they made  
 And the sign flashed out its warning. In the words that it was forming  
 And the signs said, 'The words of the prophets are written on the  
 subway walls and tenement halls'  
 And whispered in the sounds of silence

 Your love is like a shadow on me all of the time (all of the time)

 Nothing I can say, a total eclipse of the heart

## 114 - Viva la vida

Coldplay

*Intro/Interlude: C D G Em (x2)*

- C** **D** **G** **Em**  
 I used to rule the world. Seas would rise when I gave the word  
**C** **D** **G** **Em**  
 Now in the morning I sleep alone. Sweep the streets I used to own

*Interlude: C D G Em (x2)*

- C** **D** **G** **Em**  
 I used to roll the dice. Feel the fear in my enemy's eyes  
**C** **D**  
 Listen as the crowd would sing  
**G** **Em**  
 "Now the old king is dead! Long live the king!"
- C** **D** **G** **Em**  
 One minute I held the key. Next the walls were closed on me  
**C** **D**  
 And I discovered that my castles stand  
**G** **Em**  
 Upon pillars of salt and pillars of sand

### Chorus:

**C** **D** **G** **Em**  
 I hear Jerusalem bells are ringing. Roman Cavalry choirs are singing  
**C** **D** **G** **Em**  
 Be my mirror, my sword and shield. My missionaries in a foreign field  
**C** **D** **G** **Em**  
 For some reason I can't explain. Once you'd gone there was never  
**C** **D** **G** **Em**  
 Never an honest word. But that was when I ruled the world (*Interlude*)

4. It was the wicked and wild wind. Blew down the doors to let me in  
 Shattered windows and the sound of drums  
 People couldn't believe what I'd become
5. Revolutionaries wait. For my head on a silver plate  
 Just a puppet on a lonely string  
 Oh who would ever want to be king?

#### Chorus:

I hear Jerusalem bells are ringing. Roman Cavalry choirs are singing  
 Be my mirror, my sword and shield. My missionaries in a foreign field  
 For some reason I can't explain. I know Saint Peter won't call my name  
 Never an honest word. But that was when I ruled the world

*Interlude: C D G Em (x2)*

Woah oh... oh... woah... oh oh...

Woah... oh... oh... woah... oh oh...
