Always look on the bright side of life

Monty Python

(In memory of Stephanie Grothe & Neil Mackenzie)

- Some things in life are bad, they can really make
 you mad **Em**
 Other things just make you swear and curse **Am D G**
 When you're chewing on life's gristle **Am D**
 Don't grumble, give a whistle **G Em**
 And this'll help things turn out for the best... **Am D7**

Chorus:

And...always look on the **G Em Am D7 G** bright side of life
 (whistle) **Em Am D7**
 Always look on the **G Em Am D7 G Em Am D7** light side of life (whistle)

End Chorus

If life **Am** seems jolly rotten, there's something you've **D G**
 forgotten **Em**
 And that's to laugh and smile and dance and sing **Am D G**
 When you're feeling in the dumps, don't be silly **Am D G**
 chumps **Em**
 Just purse your lips and whistle **Am D7** that's the thing.

Chorus:

And... **G** **Em** **Am** **D7** **G**
always look on the bright side of life

Just remember that the last laugh is on you

American Pie

Don McLean

G **D** **Em7**
A long, long time ago
Am **C**
I can still re-member
Em **D**
how that music used to make me smile
G **D** **Em7**
And I knew if I had my chance
Am **C**
That I could make those people dance
Em **C** **D**
And maybe they'd be happy for a while
Em **Am**
But February made me shiver
Em **Am**
With every paper I'd deliver
C **G** **Am**
Bad news on the doorstep
C **D**
I couldn't take one more step
G **D** **Em**
I can't remember if I cried
Am7 **D**
When I read about his widowed bride
G **D** **Em**
Something touched me deep inside
D **D7** **G** **C** **G**
The day the music died

*

Chorus:

G C G D
So bye, bye, Miss American Pie
G C G D
Drove my Chevy to the levee, but the levee was dry
G C G D
And them good old boys were drinkin' whiskey and rye
Em A7
Singin' This'll be the day that I die
Em D7
This'll be the day that I die

End Chorus

1. **G Am**
Did you write the book of love
C Am
And do you have faith in god above,
Em D
if the bible tells you so?
G D Em
Now do you believe in rock and roll
Am7 C
Can music save your mortal soul
Em A7
And can you teach me how to dance real
D
slow?
Em D
Well, I know that you're in love with him
Em D
'Cause I saw you dancin' in the gym
C G A7
You both kicked off your shoes
C D7
Man, I dig those rhythm and blues
G D Em
I was a lonely teenage broncin' buck
Am C
With a pink carnation and a pickup truck
G D Em
But I knew I was out of luck
C D7 G C
The day the music died
G
I started singin'

Chorus

G Am
Now for ten years we've been on our own
C Am
And moss grows fat on a rollin' stone
Em D
But that's not how it used to be
G D Em
When the jester sang for the king and queen
Am7 C
In a coat he borrowed from James Dean
Em A7 D
And a voice that came from you and me
Em D
Oh, and while the king was looking down
Em D
The jester stole his thorny crown
C G A7
The courtroom was adjourned
C D7
No verdict was re-turned
G D Em
And while Lenin read a book on Marx
Am C
A quartet practiced in the park
G D Em
And we sang dirges in the dark
C D7 G C
The day the music died
G
We were singin'

G **Am**
 Helter skelter in a summer swelter
C **Am**
 The birds flew off with a fallout shelter
Em **D**
 Eight miles high and falling fast.
G **D** **Em**
 It landed foul on the grass
Am7 **C**
 The players tried for a forward pass
Em **A7** **D**
 With the jester on the sidelines in a cast
Em **D**
 Now the halftime air was sweet perfume
Em **D**
 While the sergeants played a marching tune
C **G** **A7**
 We all got up to dance
C **D7**
 Oh, but we never got the chance
G **D** **Em**
 'Cause the players tried to take the field
Am **C**
 The marching band refused to yield
G **D** **Em**
 Do you recall what was revealed
C **D7** **G** **C**
 The day the music died?
G
 We started singing.

G **Am**
 Oh, and there we were all in one place
C **Am**
 A generation lost in space
Em **D**
 With no time left to start again
G **D** **Em**
 So come on, Jack be nimble, Jack be quick
Am7 **C**
 Jack Flash sat on a candlestick
Em **A7** **D**
 'Cause fire is the devil's only friend
Em **D**
 Oh, and as I watched him on the stage
Em **D**
 My hands were clenched in fists of rage
C **G** **A7**
 No angel born in Hell
C **D7**
 Could break that Satan's spell
G **D** **Em**
 And as the flames climbed high into the night
Am **C**
 To light the sacrificial rite
G **D** **Em**
 I saw Satan laughing with delight
C **D7** **G** **C**
 The day the music died
G
 He was singing

Outro

G D Em
I met a girl who sang the blues
Am C
And I asked her for some happy news
Em D
But she just smiled and turned away
G D Em
I went down to the sacred store
Am C
Where I'd heard the music years before
Em C D
But the man there said the music wouldn't play
Em Am
But in the streets, the children screamed
Em Am
The lovers cried and the poets dreamed
C G Am
But not a word was spoken
C D
The church bells all were broken
G D Em
And the three men I admire most
Am7 C D7
The father, son and the holy ghost
G D Em
They caught the last train for the coast
Am7 D7 G
The day the music died
D7
And they were singin'
G C G D
bye bye, Miss American Pie
G C G D
Drove my Chevy to the levee, but the levee was dry

American Woman

Lenny Kravitz version

Just repeat over and over:

‡ C C C C C - B^b | C - G B^b |

1. American woman, stay away from me.
American woman, momma let me be.
Don't come a hangin' around my door,
I don't wanna see your face no more.
I got more important things to do,
than spend my time growin' old with you.
Now woman, I said stay away.
American woman, listen what I sa—y.
2. American woman, get away from me
American woman, mama let me be
Dont come knockin around my door
Dont wanna see your shadow no more
Coloured lights can hypnotize
Sparkle someone elses eyes
Now woman, I said get away
American woman, listen what I say.
3. American woman, said get away
American woman, listen what I say
Dont come hangin around my door
Dont wanna see your face no more
I dont need your war machines
I dont need your ghetto scenes
Coloured lights can hypnotize
Now woman, get away from me
American woman, mama let me be.

Go, gotta get away, gotta get away
Now go go go
I'm gonna leave you, woman
Gonna leave you, woman
Bye-bye
Bye-bye
Bye-bye
Bye-bye
Youre no good for me
Im no good for you
Gonna look you right in the eye.
Tell you what Im gonna do
You know Im gonna leave
You know Im gonna go
You know Im gonna leave
You know Im gonna go, woman
Im gonna leave, woman
Goodbye, American woman
Goodbye, American chick
Goodbye, American broad ...

Barrett's Privateers

Stan Rogers

Oh the year was Seventeen Seventy-Eight
 How I wish I was in Sherbrooke now
 A letter of marque came from the king
 To the scummiest vessel I've ever seen

Chorus:

God damn them all
 I was told we'd cruise the seas for American gold
 We'd fire no guns, shed no tears
 Now I'm a broken man on a Halifax pier,
 The last of Barrett's Privateers

End Chorus

O Elcid Barrett cried the town
 How I wish I was in Sherbrooke now
 For twenty brave men all fishermen who
 Would make for him the Antelope's crew
 The Antelope sloop was a sickening site
 How I wish I was in Sherbrooke now
 She'd list to the port and her sails in rags
 And the cook in the scuppers with the staggers
 and jags

On the King's birthday we put to sea
 How I wish I was in Sherbrooke now
 Ninety-one days to Montego Bay
 Pumping like madmen all the way

On the ninety-sixth day we sailed again
 How I wish I was in Sherbrooke now
 When a great big Yankee hove in sight
 With our cracked four-pounders we made to fight
 The Yankee lay low down with gold
 How I wish I was in Sherbrooke now
 She was broad and fat and loose in stays
 But to catch her took the Antelope two whole days
 Then at length she stood two cables away
 How I wish I was in Sherbrooke now
 Our cracked four-pounders made awful din
 But with one fat ball the Yank stove us in
 The Antelope shook and pitched on her side
 How I wish I was in Sherbrooke now
 Barrett was smashed like a bowl of eggs
 And the main truck carried off both me legs
 Now here I lay in my twenty-third year
 How I wish I was in Sherbrooke now
 It's been six years since we sailed away
 And I just made Halifax yesterday

It's like, I don't care about nothin man,

13 *Bohemian Rhapsody*

Queen

Is this the real life?
Is this just fantasy?
Caught in a landslide,
No escape from reality.
Open your eyes,
Look up to the skies and see,
I'm just a poor boy, I need no sympathy,
'cause I'm easy come, easy go,
Little high, little low,
Any way the wind blows doesn't really matter to
me, to me.

Mama, just killed a man,
Put a gun against his head,
Pulled my trigger, now he's dead.
Mama, life had just begun,
But now I've gone and thrown it all away.
Mama, ooh,
Didn't mean to make you cry,
If I'm not back again this time tomorrow,
Carry on, carry on as if nothing really matters.

Too late, my time has come,
Sent shivers down my spine,
Body's aching all the time.
Goodbye, everybody, I've got to go,
Gotta leave you all behind and face the truth.
Mama, ooh (any way the wind blows),
I don't wanna die,
I sometimes wish I'd never been born at all.

I see a little silhouetto of a man,
Scaramouche, Scaramouche, will you do the
Fandango?

Thunderbolt and lightning,
Very, very frightening me.

(Galileo) Galileo.

(Galileo) Galileo,

Galileo Figaro

Magnifico.

I'm just a poor boy and nobody loves me.

He's just a poor boy from a poor family,

Spare him his life from this monstrosity.

Easy come, easy go, will you let me go?

Bismillah! No, we will not let you go.

(Let him go!) Bismillah! We will not let you go.

(Let him go!) Bismillah! We will not let you go.

(Let me go) Will not let you go.

(Let me go) Will not let you go.

(Never, never, never let me go) Ah.

No, no, no, no, no, no, no.

(Oh, mama mia, mama mia) Mama mia, let me go.

Beelzebub has a devil put aside for me, for me, for
me.

So you think you can stone me and spit in my eye?

So you think you can love me and leave me to die?

Oh, baby, can't do this to me, baby,

Just gotta get out, just gotta get right outta here.

(Oh, yeah, oh yeah)

Nothing really matters,

Anyone can see,

Nothing really matters,

Nothing really matters to me.

Any way the wind blows.

(Father:)

It's not time to make a change,
 Just relax, take it easy.
 You're still young, that's your fault,
 There's so much you have to know.
 Find a girl, settle down,
 If you want to you can marry.
 Look at me, I am old, but I'm happy.
 I was once like you are now, and I know that it's
 not easy,
 To be calm when you've found something going
 on.
 But take your time, think a lot,
 Why, think of everything you've got.
 For you will still be here tomorrow, but your
 dreams may
 not.

(Son:)

How can I try to explain, when I do he turns
 away again.
 It's always been the same, same old story.
 From the moment I could talk I was ordered to
 listen
 now there's a way and I know that I have to go
 away.
 I know I have to go.

(Father:)

It's not time to make a change,
 Just sit down, take it slowly.
 You're still young, that's your fault,
 There's so much you have to go through.
 Find a girl, settle down,
 if you want you can marry.
 Look at me, I am old, but I'm happy.

Son:

All the times that I cried, keeping all the things I
 knew inside,
 It's hard, but it's harder to ignore it.
 If they were right, I'd agree, but it's them you
 know not me.
 Now there's a way and I know that I have to go
 away.
 I know I have to go.

 Take a sad song and make it better

Kung Fu fighting, it's as fast as lightning...

Well I used to be a farmer, and I made a living fine,
 I had a little stretch of land along the CP line
 But times were hard and though I tried, the
 money wasn't there
 And the bankers came and took my land and told
 me "fair is fair"
 I looked for every kind of job, the answer always no
 "Hire you now?" they'd always laugh, "we just let
 twenty go!"
 The government, the promised me a measly little
 sum
 But I've got too much pride to end up just
 another bum.
 Then I thought, who gives a damn if all the jobs
 are gone?
 I'm gonna be a PIRATE on the river
 Saskatchewan!

Chorus:

And it's a heave-ho, hi-ho, comin' down the plains
 Stealin' wheat and barley and all the other grains
 It's a ho-hey, hi-hey farmers bar yer doors

 that I'm at large
 But just the other day I found an unprotected
 barge
 I snuck up right behind them and they were none
 the wiser,
 I rammed their ship and sank it and I stole their
 fertilizer!
 A bridge outside of Moosejaw spans a mighty river
 Farmers cross in so much fear their stomachs are
 a'quiver
 Cause they know that Captain Tractor's hidin' in
 the bay
 I'll jump the bridge and knock them cold and sail
 off with their hay!

Let It Be

The Beatles

When I find myself in times of trouble
 Mother Mary comes to me
 Speaking words of wisdom, let it be
 And in my hour of darkness
 She is standing right in front of me
 Speaking words of wisdom, let it be

Chorus:

Let it be, let it be
 Let it be, let it be
 Whisper words of wisdom, let it be

End Chorus

And when the broken hearted people
 Living in the world agree
 There will be an answer, let it be
 For though they may be parted
 There is still a chance that they will see
 There will be an answer, let it be

Chorus:

Let it be, let it be
 Let it be, let it be
 There will be an answer, let it be
 Let it be, let it be
 Let it be, let it be
 Whisper words of wisdom, let it be

End Chorus

And when the night is cloudy
 There is still a light that shines on me
 Shine on until tomorrow, let it be
 I wake up to the sound of music,
 Mother Mary comes to me
 Speaking words of wisdom, let it be

Lumberjack Song

Monty Python

Narrated

I didn't want to be a barber anyway.
 I wanted to be... a Lumberjack
 Leaping from tree to tree! As they float down the
 mighty rivers of British Columbia!
 The Giant Redwood tree!
 The Larch!
 The Fir
 The Mightly Scotts Pine!
 The smell of fresh cut timber!
 The crash of mighty trees.
 With my best girlie by my side.
 We'd sing! Sing! Sing!

G I'm a lumberjack and **C** I'm O.K.
D I sleep all night and **G** I work all day.

Going to the candidates' debate
 Laugh about it, shout about it when
 you've got to choose
 Every way you look at it you lose

Chorus:

Where have you gone, Joe Di Maggio?
 Our nation turns its lonely eyes to you woo woo woo
 What's that you say, Mrs. Robinson?
 "Joltin Joe has left and gone away"
 Hey hey hey, hey hey hey

Chorus:

Ah, for just one time I would take the Northwest
Passage
To find the hand of Franklin reaching for the Beaufort
Sea;
Tracing one warm line through a land so wild and
savage
And make a Northwest Passage to the sea.

End Chorus

Westward from the Davis Strait 'tis there 'twas
said to lie
The sea route to the Orient for which so many
died;
Seeking gold and glory, leaving weathered, broken
bones

And a long-forgotten lonely cairn of stones.

Repeat Chorus

Three centuries thereafter, I take passage overland
In the footsteps of brave Kelso, where his "sea of
flowers" began
Watching cities rise before me, then behind me
sink again
This tardiest explorer, driving hard across the
plain.

Repeat Chorus

And through the night, behind the wheel, the
mileage clicking west

I think upon Mackenzie, David Thompson and the
rest

Who cracked the mountain ramparts and did show
a path for me

To race the roaring Fraser to the sea.

Repeat Chorus

How then am I so different from the first men
through this way?

Like them, I left a settled life, I threw it all away.

To seek a Northwest Passage at the call of many
men

To find there but the road back home again.

Repeat Chorus

Piano Man

Billy Joel

1. It's nine o'clock on a Saturday
The regular crowd shuffles in
There's an old man sitting next to me
Making love to his tonic and gin
He says, "Son, can you play me a memory
I'm not really sure how it goes
But it's sad and it's sweet and I knew it complete
When I wore a younger man's clothes."

Chorus:

la la la, di da da

La la, di di da da dum

End Chorus

Chorus:

Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us all feeling alright

End Chorus

2. Now John at the bar is a friend of mine
 He gets me my drinks for free
 And he's quick with a joke and he'll light up your
 smoke
 But there's some place that he'd rather be
 He says, "Bill, I believe this is killing me."
 As the smile ran away from his face
 "Well I'm sure that I could be a movie star
 If I could get out of this place"

Chorus:

Am la la, di da da
 Am la, di di da da dum

End Chorus

3. Now Paul is a real estate novelist
 Who never had time for a wife
 And he's talking with Davy, who's still in the Navy
 And probably will be for life
 And the waitress is practicing politics
 As the businessman slowly gets stoned
 Yes, they're sharing a drink they call loneliness
 But it's better than drinking alone

Chorus:

C Sing us a song, you're the piano man
 F Sing us a song tonight
 Well, we're all in the mood for a melody
 And you've got us all feeling alright

End Chorus

4. It's a pretty good crowd for a Saturday
 And the manager gives me a smile
 'Cause he knows that it's me they've been coming
 to see
 To forget about life for a while
 And the piano, it sounds like a carnival
 And the microphone smells like a beer
 And they sit at the bar and put bread in my jar
 And say, "Man, what are you doing here?"

Chorus:

Am la la, di da da
 Am la, di di da da dum

End Chorus

Chorus:

C Sing us a song, you're the piano man
 F Sing us a song tonight
 Well, we're all in the mood for a melody
 And you've got us all feeling alright

End Chorus

There lived a certain man in Russia long ago
 He was big and strong, in his eyes a flaming glow
 Most people looked at him with terror and with
 fear

But to Moscow chicks he was such a lovely dear
 He could preach the bible like a preacher
 Full of ecstasy and fire
 But he also was the kind of teacher
 Women would desire

Chorus:

RA RA RASPUTIN
 Lover of the Russian queen
 There was a cat that really was gone
 RA RA RASPUTIN
 Russia's greatest love machine
 It was a shame how he carried on

End Chorus

He ruled the Russian land and never mind the Czar
 But the kasachok he danced really wunderbar
 In all affairs of state he was the man to please
 But he was real great when he had a girl to squeeze
 For the queen he was no wheeler dealer
 Though she'd heard the things he'd done
 She believed he was a holy healer
 Who would heal her son

Repeat Chorus

(Spoken:)
 But when his drinking and lusting and his hunger
 for power became known to more and more people,
 the demands to do something about this
 outrageous
 man became louder and louder.

"This man's just got to go!" declared his enemies
 But the ladies begged "Don't you try to do it,
 please"

No doubt this Rasputin had lots of hidden charms
 Though he was a brute they just fell into his arms
 Then one night some men of higher standing
 Set a trap, they're not to blame
 "Come to visit us" they kept demanding
 And he really came

Chorus:

RA RA RASPUTIN
 Lover of the Russian queen
 They put some poison into his wine
 RA RA RASPUTIN
 Russia's greatest love machine
 He drank it all and he said "I feel fine"

End Chorus

Chorus:

RA RA RASPUTIN
 Lover of the Russian queen
 They didn't quit, they wanted his head
 RA RA RASPUTIN
 Russia's greatest love machine
 And so they shot him till he was dead

End Chorus

Intro: C D G Em x2

- I used to rule the world
 Seas would rise when I gave the word
 Now in the morning I sleep alone
 Sweep the streets I used to own
 C D G Em x2
 I used to roll the dice
 Feel the fear in my enemy's eyes
 Listen as the crowd would sing
 "Now the old king is dead! Long live the king!"
 One minute I held the key
 Next the walls were closed on me
 And I discovered that my castles stand
 Upon pillars of salt and pillars of sand

Chorus:

- I hear Jerusalem bells are ringing
 Roman Cavalry choirs are singing
 Be my mirror, my sword and shield
 My missionaries in a foreign field
 For some reason I can't explain
 Once you're gone there was never
 Never an honest word
 But that was when I ruled the world
 End Chorus

C D G Em x2

It was the wicked and wild wind
 Blew down the doors to let me in
 Shattered windows and the sound of drums
 People couldn't believe what I'd become
 Revolutionaries wait
 For my head on a silver plate
 Just a puppet on a lonely string
 Oh who would ever want to be king?

Chorus:

I hear Jerusalem bells are ringing
 Roman Cavalry choirs are singing
 Be my mirror, my sword and shield
 My missionaries in a foreign field
 For some reason I can't explain
 I know Saint Peter won't call my name
 Never an honest word
 But that was when I ruled the world

113 *Yellow submarine*

The Beatles

1. In the town where I was born,
Lived a man who sailed to sea,
And he told us of his life,
In the land of submarines.
So we sailed on to the sun,
Till we found a sea of green,
And we lived beneath the waves,
In our yellow submarine.

Chorus:

We all live in a yellow submarine,
Yellow submarine, yellow submarine.
We all live in a yellow submarine,
Yellow submarine, yellow submarine.

End Chorus

And our friends are all aboard,
Many more of them live next door,
And the band begins to play...

(Horn Part)

Am D

Repeat Chorus

As we live a life of ease (life of ease)
Every one of us (Every one of us) has all we need
(has all we need)
Sky of blue (Sky of blue) and sea of green (sea of

In our yellow (In our yellow) submarine
(submarine, aha)

Chorus (2x)

115 *Zombie*

The Cranberries

Em ^C
Another head hangs lowly,

G ^D
Child is slowly taken.

Em ^C
The violence caused such silence.

G ^D
Who are we mistaken?

Em ^C
But you see, it's not me, it's not my family.

G ^D
In your head, in your head they are fighting,

Em
With their tanks and their bombs,

^C
And their bombs and their guns.

G ^D
In your head, in your head, they are crying...

Chorus:

Em ^C
In your head, in your head,

G ^D
Zombie, zombie, zombie, hey, hey,

Em ^C
What's in your head, in your head,

G ^D
Zombie, zombie, zombie, hey, hey hey...

End Chorus

Em ^C
Another mother's breakin'

G ^D
Heart is taking over

Em ^C
When the violence causes silence,

G ^D
We must be mistaken.

Em ^C
It's the same old theme since nineteen-sixteen.

G ^D
In your head, in your head they're still fighting,

Em
With their tanks and their bombs,

^C
And their bombs and their guns.

G ^D
In your head, in your head, they are dying...

Repeat Chorus

(hey, hey, oh, oh, oh,

Oh, oh, oh, oh, hey, oh, ya, ya-a)
